

Pixham Scout Centre, located opposite the sports ground, has seen a return of the Scouting movement over the last few years. It currently hosts 36 young people a week during term time, split between the Cub Pack and the Scout Troop, who do activities ranging from kayaking to coding to camp craft. They develop character skills like resilience, initiative and tenacity; employability skills such as leadership, teamwork and problem solving; and practical skills like cooking and first aid - and research proves it really works.

Scouting is open to everyone from age 6 upwards starting in the Beaver Colony, but unfortunately the Pixham group is currently only able to take youngsters from 8 into the cub pack as we don't have a beaver leader at present. To that end we are looking for an enthusiastic Beaver Section Leader to manage and lead our Beavers at 3rd Dorking (Pixham) once a week. There is already a programme of events set up and the last leader is happy to help you during the early days. You would be free to use her programme or write your own.

No previous experience necessary! Please contact the GSL (Group Scout Leader) Keryn Wingrave for further information: Pixham.Scouts@gmail.com
