

The Pixham Artists Morna Case, Suzie Moore, Mary Wardlaw & Elizabeth Watson.

As a group of friends, we have painted in the Pixham Scout Hut for the last 15 years over the winter months. Pixham Village is a beautiful setting for a painting group, at the foot of Boxhill with many picturesque views on the doorstep - with the bonus of an active, friendly Village Community. We exhibit regularly with local art societies holding our own exhibitions at Denbies most years and we have built up a reputation for excellent, affordable art, in all mediums and styles, in a rich variety of subjects.

In 2019 you can see our current work during the week beginning 28th October in the Denbies Vineyard Picture Gallery, do come along to meet us and support your local artists. There will also be two guest artists for the first time: Philippa Sibert from Pembrokeshire and Jill Flower, a textile artist from Westcott - it should be a very exciting exhibition so make a note in your diary!
For further enquiries: 07980-598596 or suzmoo@mac.com

We will also be supporting Pixham's St Mary's Church on Saturday 21st September for the Heritage Open Day with paintings of local buildings, houses, views and greetings cards - your house and area may feature!
